You can register on the ENNEADI project platform from here

<https://elearning.enneadi.eu/>

Click on register and fill in the fields you will find on the registration page.

The image shows a login and registration interface. It features two input fields: "Username" and "Password". Below these fields is a black button labeled "LOGIN". At the bottom, there are two links: "Register" (with a right-pointing arrow icon) and "Lost password" (with a question mark icon). The "Register" link is highlighted with a yellow background. The background of the form area is decorated with a pattern of light orange leaves.

<input type="text" value="Country *"/>
<input type="text" value="City *"/>
<input type="text" value="Gender *"/>

You will receive a reminder email with the credentials you have chosen, you just need to click on the link to confirm your registration.

Once you have entered the platform, you will be able to take advantage of the two courses provided for in the project.

The course also includes an entrance test, therefore it must be taken in this order

01 Placement tests

02 ENNEADI Online Training Course

The materials must be used in sequence, and at the end of each teaching unit there will be a self-evaluation test.

There is also a final questionnaire, which is essential for us to have your assessment of the training path, both in terms of contents and in relation to the tool used.

Upon completion of the course, you will automatically receive a certificate.

assistance: you can use the "helpdesk" button on the platform

credentials: if you forget them, you can retrieve them by yourself from the home page.

Good training!
